Dear Parents/Guardians,

The Met will be using Schoology, an integrated learning management solution that provides course management, mobile learning, and support for system-wide communication. Schoology enables our students, parents and teachers to engage with learning materials and their school community from the classroom and beyond. We look forward to using Schoology in our classrooms September 3, 2020 to enhance connectivity and communication across our school. With Schoology, students can digitally submit homework assignments, review grades, participate in interactive discussions, receive announcements and feedback, take tests, write academic blogs, and more. As a parent, you will be able to view your student's activity within the platform.

You and your student will be given login credentials [WHEN/HOW] to access the Met Sacramento Schoology system. We value your participation in your student's educational progress. Your student's activity on Schoology will be monitored by faculty to ensure a safe, secure, and controlled environment. Attached, you will find information with instructions on how to create, log into, and use your Schoology account.

If you have questions or feedback regarding Schoology, please ask us during our scheduled orientation.

Sincerely,
Denise Lambert

Estimados padres de familia,

Nuestra escuela utilizará Schoology, un programa de aprendizaje que funciona como una red social de docentes y estudiantes que permite manejar cursos, aprendizaje electrónico móvil y provee apoyo para la comunicación virtual. Schoology permite a nuestros estudiantes, padres y maestros ver los materiales de aprendizaje y participar en nuestra comunidad escolar. Esperamos utilizar Schoology en nuestras clases empezando el 3 de septiembre del 2020 para mejorar la conectividad y la comunicación en toda nuestra escuela. Con Schoology, los estudiantes pueden entregar tareas digitalmente, revisar calificaciones, participar en actividades interactivas, recibir anuncios y comentarios, tomar exámenes, escribir blogs académicos y más. Como padre, podrá ver la actividad de su estudiante en esta plataforma.

Se le dará a usted y a su estudiante el nombre de usuario y contraseña en un correo electrónico. Valoramos su participación en el desarrollo educativo de su estudiante. Las actividades virtuales de su estudiante en esta plataforma digital serán supervisadas por la facultad para garantizar un entorno seguro, protegido y controlado.

Si tiene preguntas o comentarios sobre Schoology, por favor déjenos saber durante la orientación escolar.

Sinceramente,
Denise Lambert
